

## **Nikita Bukoros**

Born in Ukraine, Nikita always liked to play with improvised objects, and eventually to invent them. In 2007 he entered Kyiv national university of construction and architecture, after which he worked for several years in architectural and interior design firms. Nikita completely switched to object design in 2014. Over the next three years he developed several furniture collections with Ukrainian brands, represented worldwide.

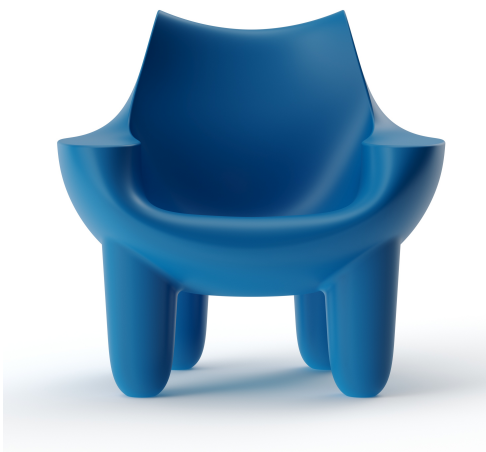

Nikita is motorcycle traveler. He seeks for inspiration while traveling to new countries.

## **Mibster Chair**

Curves capturing your attention from every angle.

Nikita Bukoros created a seating object that is playfully approachable with edgy contours that draw you in. When passing by you can't resist from taking a seat. Elegant lines, crazy cool.

## **Made by Tenjam**
