DRIFT SESSION

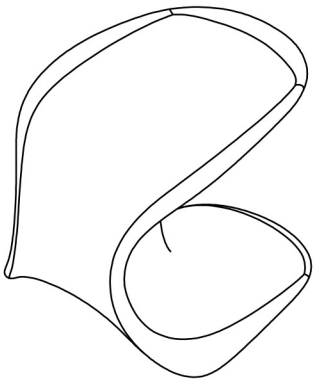

#11501BX _ _ - Drift Session, Color TBD

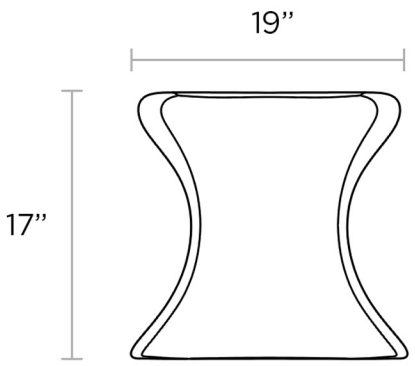

The Drift stool collection is designed wtih flowing curves and a distinctive, cantilevered form that encourages movement and interaction. Designed to invite users to sit, perch, or turn naturally, Drift supports flexibility and active engagement in dynamic environments. An active seating profile promotes an upright posture and leg engagement, enhanced by a subtle forward seat angle. When not in use, Drift stools nest together for compact storage—making them an adaptable seating solution for a wide range of spaces.

- Designed for use both indoors or outdoors, in demanding environments such as school campuses, healthcare facilities, and busy commercial & hospitality spaces.
- Extremely durable, impact resistant and strong, with a 250-pound weight capacity.
- All-weather design is rustproof, waterproof, UV-stable and fade-resistant for lasting performance season after season.
- Crafted with a one-piece construction and rounded edges for safety.
- Easy to clean with soap and water or a bleach solution, with no stitched seams or crevices where bacteria can harbor.
- Made in the USA with premium materials and craftsmanship.
