The Twisted Hex stool brings bold geometry and everyday versatility to learning and social environments. Designed to be lightweight and easy to move, the stools stack neatly and compactly when not in use—making them ideal for flexible classrooms, libraries, commons, and collaborative spaces that need to adapt quickly throughout the day. Three stool heights available (13", 15.5", and 18") to accommodate a wide range of ages, and all heights can be stacked together. Thoughtful features such as a waterproof cushioned top and dual handle cutouts enhance comfort, portability, and ease of use—making Twisted Hex a versatile and essential seating solution throughout the facility.

- Designed for use both indoors or outdoors, in demanding environments such as school campuses, healthcare facilities, and busy commercial & hospitality spaces.
- Extremely durable, impact resistant and strong, with a 300-pound weight capacity.
- All-weather design is rustproof, waterproof, UV-stable and fade-resistant for lasting performance season after season.
- Easy to clean with soap and water or a bleach solution, and the cushion top can also be removed for cleaning or replaced if damaged.
- Made in the USA with premium materials and craftsmanship.
- Stackable up to 8-units high
